I AM THE CHURCH

# Chase Park

## ... In With the New

In last week's article, we considered the idea of "Out With the Old" concerning some of the attitudes and actions that might have been hindering our walk with God. Hopefully, as this new year has begun, you have been successful in identifying areas of your spiritual life that you would like to improve and implementing new plans and routines to help you meet your spiritual goals for 2018. As we all strive to grow spiritually, please allow me to offer you some encouragement.

In 2018, the theme that will guide our work is "I Am The Church." We want to recognize that we are each an important and vital part of the Lord's body and take that privilege and responsibility seriously. We want to encourage each and every one to consider how they might use their personal talents, abilities, and opportunities to serve Christ and to bring glory to God. So, how can we each make the most of our desire and opportunity to be the church within our own sphere of influence? Well, Consider emphasizing these four areas of your life by setting goals to focus on and work toward:

1. *Your personal Bible study and prayer life,*
2. *Your involvement in the work and worship of the church,*
3. *The conduct and influence of your day-to-day life, and*
4. *People in your life that you can try to bring to Christ.*

Chase Park is a wonderful congregation of loving and spiritually-minded people, and I am excited to see what God will accomplish through us this year.
