"To my family in Christ:

Thank you to everyone who brought food during my chemo and radiation treatment. Thank you to the ladies who made the afghan to keep me warm. And a special thank you to everyone who offered prayers on my behalf. I received a clear report on my last PET CT and I thank God and our Savior Jesus Christ that I have made it through this difficult time with the love and support of family and friends, and my loving church family. In Christian love,"
