THEME for 2022: COMPELLED 2 Corinthians 5: 14-15

It's the Most Wonderful Time of the Year

It's that time of the year when the Christmas music is playing on the radio. One of the more popular songs you will hear is, "It's the Most Wonderful Time of the Year". The song highlights family and friends coming together for parties, caroling and fun-filled events. A time where loved ones are near, and the family and friendship bonds strengthen. Perhaps for many of us the period from Thanksgiving to New Year's is the most time we will spend with our extended family. It is a wonderful blessing to be with loved ones and reflect upon the year.

During this time of the year the church has an opportunity. It's the opportunity to seek and find those who may be hurting, displaced, lonely, fearful or filled with worry. As another year ends, we may notice changes that have taken place in the lives of those in our congregation, family, friends and community. Therefore, we have an opportunity to be an encourager to those dealing with sickness. An opportunity to be a constant in someone feeling displaced. An opportunity to be a friend to someone who is lonely. An opportunity to bring peace to someone who is worried.

In Matthew 5:13-16, Jesus tells his listeners to be salt and light. We are to season the world with godliness and goodness. We are to be a beacon of light in a world filled with darkness. When we become salt and light to the world then those who are facing difficulty see the light of Christ burning within us and are introduced to Jesus. So, let us take the opportunity and seek those who may be facing difficulty and provide them with the greatest gift they can receive, Jesus Christ and the church.
