## Evangelism Update

It has been a crazy 2025 so far! The weather, the politics, the world seems to be in a constant state of turmoil. But one thing remains constant, our God, and our need to draw close to Him and to bring others to Him as well.

In the last month we have had three people put on Christ in baptism showing us that even when times are turbulent, there are still souls who are searching for the truth and the fields are “truly white unto harvest” regardless of the circumstances of life.

One of the reasons that people are still coming to Christ at Chase Park (and other congregations of the Lord’s church) is because her members (you) are intentional about reaching out to and taking opportunities to share your faith and invite others to services. I am extremely pleased with the efforts that so many are making to do just that.

If you have someone in mind who you would like to share the gospel with but are uncomfortable with that or don’t know what you should do to try to win that person for Christ, please talk to me. We have lots of folks here at Chase Park (blessed beyond measure) that are fully capable of studying with folks who have a Matthew 7:7 heart that are truly asking, seeking, and knocking.

It was great to see Rachel Suggs baptized, not only for her own spiritual good, but also for the congregation’s spiritual good. Why? Because it is proof positive that if you are willing to share your faith and be welcoming and friendly to those you come into contact with. You will have a greater chance of securing a bible study or getting them to come to services.

Please keep our ongoing bible studies in your prayers and remember, I love you and want to go to heaven with you.

In His Service,

**Pat**
