## Library News

**Mike and Cathy Maples** recently donated the following two books to our library (following their recent visit to The Ark Encounter in Williamstown, Kentucky.):

1. *INSIDE NOAH'S ARK: WHY IT WORKED.* Using Genesis 6:14-16, the Ark Encounter researchers used years of studies to come up with a replica of The Ark and assumptions of how Noah's family could have accomplished all the tasks involved during their year-long stay on The Ark.

2. *ARK SIGNS THAT TEACH A FLOOD OF ANSWERS.*

This book features photographs of themed exhibits that allow visitors to experience what life may have been like on The Ark.

## Seasons Change and He Still Remains

Well we finally have arrived! Fall weather is here and I'm all excited! Welcome cool mornings and warm afternoons. Welcome back jackets, flannel shirts and boots. Welcome less mowing and fall colors! If you haven't noticed yet, Fall is my favorite time of the year!

With the changing of the seasons, I am reminded that God is still in control and active. Romans 1:20 states, *"For His invisible attributes, namely, His eternal power and divine nature, have been clearly perceived, ever since the creation of the world, in the things that have been made. So they are without excuse."* Although our society may lead us to questions concerning the authority or even the existence of God, we can clearly see through His divine creation that He is present. For when you rose up this morning you saw the light coming through your window. When you walked outside you felt the coolness of the air. On your drive to worship you saw the beauty of His creation. Those everyday occurrences serve as a reminder to us that the momentary afflictions of this world cannot overcome us. For we have a God that is permanent and ever present in our lives.

In Genesis 8, following the Flood account, God allows Noah and his family to exit the ark and walk upon dry ground. Once the door was opened there was sunlight, blue sky, vegetation and birds. God reminds Noah in Genesis 8:22, *"While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease."* Thus, God reveals to Noah that mankind will always be a witness to His presence.

Enjoy this wonderful season and consider yourself blessed. For we have a God who is loving, faithful and active. Just open your eyes and see for yourself.
