October 2025 Chase Park Evangelism Update

Brothers and sisters,

Please make preparation for the upcoming gospel meeting with Don Blackwell. We currently have 3 studies going on, that I am aware of, and we would love to come out of this meeting with several prospects.

By the time you read this, we should have invited several of our neighbors to come, through door knocking and passing out the invitation cards to our friends, coworkers, and neighbors. We should still have a few days to take more invitations to those we may still be thinking about inviting. There are so many people who are struggling, and this is a great evangelistic opportunity.

If you know of someone who is struggling, please take this opportunity, it might be the best one you have with that person for a while.

God bless, and remember, I want to go to heaven with you.
Pat
