Have You Checked on Your Investments Lately?

Most of us have thoughts of being able to retire from our labors. The idea of being able to rest is an intriguing notion. Our plans are to “retire.” Well, it may not be retiring in the sense of “giving up work,” but more like being able to do those things that we deeply desire to do.

Your investment counselor has told you that you need to be diligent in setting aside for your future. Often it is difficult to heed those warnings that are given to direct us to do the things we must in order to reach that retirement point we so desire.

To this point I may sound like a typical investment counselor. But read the following statements and then go back and think about the above statements. See if you see a different point of view.

“¹⁹Lay not up for yourselves treasures upon the earth, where moth and rust consume, and where thieves break through and steal: ²⁰but lay up for yourselves treasures in heaven, where neither moth nor rust doth consume, and where thieves do not break through nor steal: ²¹for where thy treasure is, there will thy heart be also.” (Matthew 6:19-21)

“For what shall a man be profited, if he shall gain the whole world, and forfeit his soul? or what shall a man give in exchange for his soul?” (Matthew 16:26)

“Set your mind on the things that are above, not on the things that are upon the earth.” (Colossians 3:2)

“But seek ye first his kingdom, and his righteousness; and all these things shall be added unto you.” (Matthew 6:33)

Please watch your investments carefully. Make sure you are making the correct deposits. We are praying that all of your investments grow and grow!
