## Thank you

"Dear Chase Park family:

I am writing to express our deep gratitude to all of you, for all the love and support that you have shared with me and my son, Timothy, over the past 11 months.

We truly appreciate all those who were helping with transportation, communication, clothes, food, money, housing and even entertainment. Special thank you goes to the Denney family who have been taking care of us for 11 long months, who basically sacrificed part of their lives to help and support us.

It's been both a very fruitful and amazing year for me and my son on the one hand, and an extremely hard and stressful one on the other. To be separated as a family is not easy to say the least. But, with a full-scale war going on in Ukraine with no end in sight, Slava and I made the decision for us to come here to provide a safe and peaceful environment for our son, though separation really hurts. I'm so grateful that I, and especially Timothy, have met so many good Christians and that we have had many opportunities to fellowship with so many of you. This was very encouraging and will stay with us for many years to come. I believe Timothy has had an invaluable experience here at Chase Park which made a huge difference in his life!

However, the time has come for us to move. Since the job I found here in Huntsville as a special education aide cannot cover our housing and car expenses, we had to make another very hard decision -- to move to Texas, where a Christian couple has offered us help with housing and securing a better job.

Thank you, our Chase Park family! You will always be in our hearts! We will always remember you for your support and kindness! In Christian love,"

*Sveta and Timothy Savkovsky*

## Two Down, One To Go

For the past two weeks we have been on the road serving and growing in God's Word. Two weeks ago our teens and chaperones traveled down to Montgomery and worked with the Dalriada Church of Christ on a service trip. Our teens helped clean, sort, pack and load items that will be sent to Ukraine to help those who are in need. John Kachelman, Sam's brother, is an elder at the Dalraida congregation and works with Ukraine Missions. It was a great trip and our teens worked well together. I'm thankful for such a wonderful group of teens willing to work and complete whatever task is given to them.

Last week, we took 50 people from Chase Park to Rocket City Youth Camp at Ney-A-Ti in Guntersville. We had a tremendous camp week as we joined several of our sister congregations for a week centered upon the theme of *Transformed*. Throughout the week, we discussed how we need to transform our attitude, priorities, identity and culture. Our kids were once again well behaved and had a wonderful week at Bible camp. Many memories and friendships were made.

This week about 25 teens and parents will travel to Freed-Hardeman for a week at Horizons. Horizons is an excellent week filled with Bible classes, worship, fun activities, group discussions, singing, and more! It is a great week to meet new Christians and to catch up with old friends. Our theme this year is *Still*. We ask that you pray for our students, chaperones and for safe travels. We thank you for your encouragement, support and willingness to allow us to grow in God's word with these wonderful events!
