That's What the Church is All About

This past Wednesday in our Super Seniors class we discussed the later part of Acts 2. This is one of my favorite passages in the Bible as it details the excitement of the early church. In Acts 2:42-47, we read how the church was linked to the gospel and one another. As a matter of fact, these Christians fell in love with the gospel and the kingdom of God so much so that they didn't want to leave Jerusalem and the bond that began on Pentecost.

Throughout this section we see numerous acts taking place so the Christians could enjoy one another's fellowship and bond in Christ. Some acts included supporting one another, giving of their means, study, worship, fellowship, housing others, etc. They truly loved one another and their Father.

Fast forward to the church today. Are we like the early church of Acts 2? Do we support one another? Do we sacrifice for our brothers and sisters? Do we long to worship together? Are we checking on each other? Are we willing to share our struggles? If the answer is yes, then keep up the good work and the light of Christ will continue to shine to all around you. If you need to improve and desire the relationships of Acts 2, then it's time to open up, share, and become involved and active in the kingdom. God's family is tremendous! It's the greatest family the world can ever know. You are blessed to be part of God's family!
