Directing Our Way

Recently, I sat pulling weeds from the lawn to allow the preferred zoyzia grass free room to spread and grow thick. I wanted to help it along its way. As I sat pulling weeds and seeing the clean ground exposed for the good grass to spread and grow, it came to me that this is somewhat like God working in the lives of His children.

Like the desire for the good grass to grow and spread, God desires good for His children. Often it may be seen in our lives, and in the lives of others, how God has been working and directing. This is called the providence of God. In God’s creation of this marvelous world, He has provided ways for Him to operate to accomplish His will. He is able to make all things work together for good for those who love Him. (Romans 8:28)

We are unable, in our current human form, to completely comprehend how God works in this world. But we can be assured that He is actively involved in directing our lives. What must we do in order to have God involved in this way in our lives? First, we must realize we need God in our lives for direction. Jeremiah 10:23, *“O Jehovah, I know that the way of man is not in himself: it is not in man that walketh to direct his steps.”* Then, we must yield to Him and allow Him to work within and for us. Proverbs 3:6, *“In all thy ways acknowledge him, and he will direct thy paths.”*

Isn’t it comforting and reassuring to know that we serve the true God who cares so deeply for us? May we daily recognize and acknowledge Him in our lives and strive, even greater, to do His will. 2 Thessalonians 3:5, *“And the Lord direct your hearts into the love of God, and into the patience of Christ.”*
