## Thank God!

“Thank God!” Unfortunately, this phrase is used much too often in our world as an expletive. It is troubling to hear the holy name of God thrown about so flippantly and disrespectfully, with no regard whatsoever to Who is being referred to. But there is a true sense in which the phrase, “Thank God!” should be ever-present in our minds and on our tongues. This is true because God has blessed us with so many things for which to be thankful. If we were to try to list all of God’s gifts, we would very quickly realize it to be an impossible task. As the Bible reminds us: *“Every good gift and every perfect gift is from above, and comes down from the Father of lights...”* (James 1:17) Every breath we take, every ability and opportunity that is ours, every physical position and relationship—all of these things are blessings from our benevolent and loving heavenly Father. Add to that the infinitely more important spiritual blessings that we have in Christ and the constant care that God provides for us, and it quickly becomes glaringly obvious that we have so many things for which to say, “Thank God.”

This week is the Thanksgiving holiday, and many of us will gather with friends or family to enjoy a wonderful meal and precious time with our loved ones. This holiday has its roots in recognizing God’s care and blessings and giving Him thanks, and it is a wonderful time to reflect on our own personal blessings and thankfulness. However, don’t make the mistake of limiting your thanksgiving to one day a year. Give God all the thanks and praise every day and for everything. Acknowledge His goodness and love, and be truly thankful for every blessing.

*In everything give thanks; for this is the will of God in Christ Jesus for you.*
