"Dear Church Family,  
If you are one that sent a card, called or text me during the last few weeks I want you to know how much it meant to me. The days have been so long! I appreciated all the prayers that were said on my behalf. They truly did help my recovery go quicker. Your support has touched my heart and will not be forgotten. May God continue to bless this family as we labor for the Lord. All my love,"

## I Am Thankful

In this season of being reminded of all the things that we are thankful for, I would like to take a moment to share a few things that I am thankful for. I am thankful for a wonderful church family to worship with, work with, and share my life with. I am thankful for so many mature and faithful Christians who are such an encouragement to me and who constantly edify me with their kind words and actions. I am thankful for parents who are working hard to raise their children to love the Lord and live faithful lives. I am thankful for being able to raise my own children here, surrounded by great examples and friends who strengthened their faith. I am thankful for so many Christian men and women who are committed to Christ and to His church and who work hard in so many ways to be of service to God. I am thankful for the opportunity to preach and teach regularly before a group of people who have such a love for the truth of God's word. In a word, I am thankful for YOU! Having been here for going on fourteen years now, I am thankful for the blessing that Chase Park has been to my life and I am excited about this congregation's future.

As you count your blessings and thank God for those things that are good and precious in your life, I hope that you remember the church. What a blessing it is to be a part of God's family - to be surrounded by people who love the Lord and their fellow Christians and who are striving to be faithful to God in their daily lives. No, Chase Park is not a perfect church just as none of us are perfect people, but it is a great, wonderful, loving, faithful, encouraging, serving, growing family of Christians. I hope that you are thankful for the blessing that the Lord's church, and specifically Chase Park is to your life. Let's all take advantage of the opportunity to give thanks to God daily for this great blessing, and, in that thankfulness, be committed to doing our part to make this congregation all that it can be in God's service. May God bless you and all of us as we strive to glorify Him through our lives.
