

Family Care Member Guide

March 2017

Encourage others
Get to know others
Reach out to others

Have you entered a room and later walked out thinking to yourself, “Nobody spoke to me”. Immediately ask yourself, “Did I speak to anyone?” As individuals, we never want to think the first thought, but as Christians, we never want to be guilty of answering “No.” to the question. We each live different and busy lives. We must remember when we see each other to actually see and hear each other. We want to interact with others and be interacted by others. We each are sensitive and we must not be guilty of forgetting this fact.

As a member of Chase Park you are a member of a family. And part of this family we need to care for each other, encourage each other, get to know each other, reach out and assist each other.

On occasion you will be absent from a worship service or a bible class. Every time we want you to be missed. We encourage members of the congregation and specifically those in your family care team to reach out to you. Both when they see you during normal times, but more importantly during the week. Card, phone call, e-mail, or visit.

If you reach out to someone we want to know to whom. There are three ways:

- Fill out form and place in Dropbox at hospitality desk
- Tell your family care team leader using form, phone call or email
- Use website

Your family care team are the individuals you sit near in the auditorium. You recognize who is missing. The aisles create a simple organization of the congregation. Therefore, your section is your family care team.

Few of us know everybody in our section. Get to know them. They are your siblings in Christ. Take an interest in their lives and care for them.
